**Heroes In Our Lives**

# MESSAGE FROM THE BOARD CHAIR AND CHIEF EXECUTIVE OFFICER

Mary A. White  
Chief Executive Officer

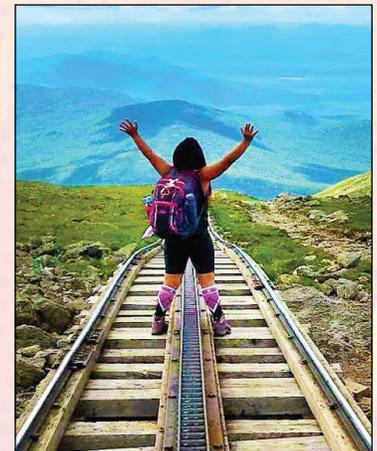

This edition of the Children's Home News is reflective of the heroes in our lives, those that take upon themselves the challenge to make the lives of others better. Christopher Reeves, best known as superman, once said "A hero is an ordinary individual who finds the strength to persevere and endure in spite of overwhelming obstacles". This report sheds light on just a small portion of what our unwavering staff, foster and adoptive families, volunteers, Board Members, Directors Emeritus, donors and supporters do every day. Our hearts are the capes that gives us the strength and determination to never give up and never give in. We proudly stand with and for those that need us the most, we embrace diversity, equity and inclusion in our Mission and in our work.

Jeff Sikorovsky  
Board Chair

Reflecting on my eight years of service to the Children's Home Society Board, the past two as its chair, I am filled with memories of how I came to be part of the CHS Family. As an older, first-time father, my heart exploded with joy, fear, anxiety, excitement and terror all at once when I met the love of my life, my daughter, Zoey Rose. I remember her big beautiful, brown eyes and bright and shining face peeking out at me from her baby carrier with curiosity, wonder and hope. She was a miracle, inside and out, precious and loved from the very start. I was hers. She was mine. From that day to this, she has been my Princess, teaching me a great deal about love, acceptance, gratitude, humility and faith. As she approaches her 18th birthday, I am amazed at the Wonder Woman she has become. Despite many ups and downs over the years, including the divorce of her mother and me, Zoey Rose has persevered, adapting to many changes and facing life head on. She and her mother moved to New Hampshire in 2014 for better healthcare and educational options. Now, having lived there

more than half her life, she has become part of a great community she can call home, in addition to here in Charleston. Today she's living her best life filled with horses, cows, chickens, ducks, geese, bunnies, kittens and dogs. Now a junior in high school, she loves skiing, acting, swimming, boating, kayaking, paddle boarding and riding ATVs, among many other outdoor activities. She's earned the nickname, "Gritty Girl," having hiked nearly a dozen peaks in the White Mountain region, including all 6,288 feet of Mt. Washington when she was 14. She's a great shot with a .22 and has learned how to skin animals and prepare their meat for sale, while collecting fresh farm eggs for family and friends. Most importantly, she is a valuable part of an ever-expanding blended family, serving as my "best man" at my marriage to my wife, Sara, last June. With all she has done the past 18 years, I have no doubt my Princess will continue to thrive for years to come! My only hope is that I have given back at least a fraction of the many blessings CHS has given me.

# WHO WE ARE

The Children's Home Society of West Virginia is a private, non-profit child welfare organization founded in 1896. The Society is a participatory organization consisting of employees, foster families, adoptive families, volunteers, Board members, Directors Emeriti, advisory council members, donors, benefactors, supporters, and friends. We are governed by a volunteer Board of Directors that is representative of the communities we serve from around the state. We are licensed to provide child welfare and behavioral health services in West Virginia. We are a member agency of the Emergency Shelter Providers Network, the National Council For Adoption, the Foster Family Treatment Association, the Youth Collaboratory and the Children's Home Society of America. We are fully accredited by the Council on Accreditation of Services for Families and Children.

Comprehensive child welfare, behavioral health, social casework and advocacy services are provided to approximately **15,943** children each year from 13 primary locations throughout the state. Some of our current programs are adoption, foster care, in-home and in-community services for children and families, emergency shelter care, parent education training, prenatal and early childhood services, volunteer and mentoring, visitation and reunification, school based social work, and comprehensive assessment services.

## SUPERHEROES GO CAMPING

The WECAN program held a country fair August 4, 2023 through August 6, 2023 at the beautiful Logan County Church camp in Harts WV.

There were 72 fair attendees with 92 volunteers to make the fair an enjoyable event. The children were entertained with arts and crafts, fishing, water games, talent, field games and prevention programming (positive action) and they finished up the evening with a carnival and ending the night with a campfire and this was all on Friday.

Saturday morning the camper woke to a full scale breakfast in the mess hall, eggs, sausage, homemade biscuits, and gravy and other breakfast foods. Once their belly's were full they proceeded to go off to their activities for the day.

The gift shop (formerly the free store) opened Friday afternoon for their shopping experience and remained open until late evening and reopened on Saturday morning. Mountain Laurel Integrated HealthCare ran the store for the weekend and they also provided everyone with a nice duffel bag with Summer Camp embroidered on the front.

After a wonderful spaghetti dinner on Saturday, the campers prepared for the talent show then they were off to get ready for the big hoedown. The DJ cranked up the music and the dance began. King and Queen and Prince and Princess were announced during the evening.

There were several new parents of the new junior counselors to attend this year and they will make wonderful WECAN volunteers. This year's camp was one of the best they've had in years.

# 2023 RUTH EDEN BAILEY SCHOLARSHIP AWARD WINNERS ANNOUNCED

The Children's Home Society of WV (CHSWV) announced the winners of the 2nd Annual Ruth Eden Bailey Scholarship Award, on Wednesday, August 3, 2023. It was a wonderful and emotional event honoring long time CHSWV employee, Ruth Bailey. Nine youth received \$1,000 each to help with expenses to further their education. Four were unable to attend the ceremony. To hear the stories of these young people and why they applied for the scholarship was heartwarming, what a great way to celebrate Ruth's work on what would have been her birthday. Ruth's husband, son and daughter came to present the certificates and checks.

## About the Ruth Eden Bailey Scholarship Fund

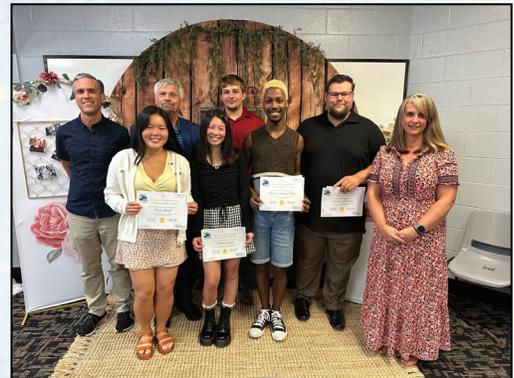

The Ruth Eden Bailey Scholarship Award was initiated through a gift from Robert (Bob) Noone and his wife Beth Hughes-Noone. One or more award winners will be selected annually and presented with an award of up to \$1,000. The annual awards will be given prior to the Fall semester enrollment.

Youth attending the following institutions are eligible to apply for the scholarship funds:

- Trade School or Technical School
- Community Colleges or University

The Funds awarded are to supplement or provide for:

- Tuition Assistance
- Equipment – Lap Top/Computer
- Books/Educational Materials

## About the Honoree

Ruth Eden Bailey dedicated her life to helping children find lifetime families. She was a determined advocate and worked tirelessly to find foster and adoptive homes. Ruth loved working with her families and the children that came into care, she was mission driven and her passion inspired many. Ruth began her journey with Children's Home Society in 1993 and spent the following three decades changing the lives of hundreds of West Virginia's children. Ruth was always looking for ways to help support foster and adoptive families and thus she initiated the first CHSWV Foster Family Support Group. The foster family support group became significant in that it brought families together to share experiences, to be supportive during struggles and most importantly to celebrate with each other.

Today CHSWV foster family support groups are organized across the state thanks to a special woman that was creative, passionate and enthusiastic. Ruth left a legacy of encouragement, love and kindness.

# NO SHAVE FOR THE BRAVE HEROES

In 2012, Jefferson County Sheriff's Department put down their razors, encouraged their deputies to grow beards, and challenged the community to help them raise money for the children served by Victoria's House Child Advocacy Center (then Safe Haven). This was not only was a morale builder in the office and a great way to bring awareness of the work that Victoria's house does in the community, but this fundraiser grew into an annual fundraising tradition that has spanned more than a decade, spread across the state and for Victoria's house has raised over \$50,000.

In 2022, the No Shave for the Brave Campaign was a bitter sweet fundraising year, not only was Victoria's House Child Advocacy Center grieving the loss of their fearless leader, Victoria Slater-Madert, but the Jefferson County Sheriffs Department too was grieving the loss of Captain David Colbert, one of the driving forces behind the fundraiser from the start. Collectively, the Jefferson County Sheriffs Department and the Berkeley County Sheriffs Department raised over \$10,000 for Victoria's House during the Annual campaign this year, which was dedicated in Victoria and Captain Colberts honor and was truly an astounding success. Victoria's House Child Advocacy Center's mission is to promote the team approach to the investigation and prosecution of child abuse cases. Funding raised through this campaign allows for the program to ensure that children and their families receive a coordinated, team approach during the investigation and prosecution so the children and family can focus on healing.

*"My heroes are those who risk their lives every day to protect our world and make it a better place."*

*-Sidney Sheldon*

# EMERGENCY CHILD SHELTER AND PERMANENCY PROGRAM NUMBERS

The Society's mission has remained constant throughout the years, to bring permanency to the lives of children. Our focus on lifetime and families continues to bring hope, happiness, and well being to children needing a family of their own. Our statewide adoption and foster care program has been instrumental in providing families that are dedicated to caring for West Virginia's children.

The Children's Home Society of West Virginia operates eight shelters providing short-term and emergency care for youth in crisis. The program is designed to accomplish two basic purposes: to meet the child's emergent need for residential care in a safe, supportive setting and to provide a period of time for the Department of Health and Human Resources and shelter staff to assess the child's needs and develop the most suitable plan for continued care and protection.

# CALLING ALL SUPERHEROES!

Our Resource Centers play an important role in our efforts to help families in their own communities across the state. They provide a variety of items to help meet emergent needs and assist families during times of financial hardships.

During the 2022-2023 fiscal year, our Resource Centers assisted **6,804** individuals statewide. These children and their families were able to benefit from the in-kind support given to CHSWV by numerous businesses, individuals, churches, and civic groups throughout West Virginia.

## Ways You Can Help

Your CASH CONTRIBUTION is tax deductible and will be used to help Children in West Virginia. Donor wishes are always honored and you may choose the program that your gift supports.

You may participate in the NEIGHBORHOOD INVESTMENT PROGRAM (NIP). By giving a contribution of \$500.00 or more, you can receive this special tax credit. Visit our website for more details.

IN-KIND CONTRIBUTIONS are a way for you to contribute good such as; clothing, household items, real or personal property, school supplies and infant care items, just to name a few. In-kind contributions are needed and provide an additional way for us to help families in need.

LEAVING A LEGACY is a bequest made through a will. This contribution is a way to give a gift without impacting your current financial situation. The donor is assured that they are still making a difference and impacting the lives of children after they are gone. This way of giving helps to ensure that our future of helping children is secure.

MEMORIAL AND HONOR GIFTS are yet another way you can help. A contribution given in memory or in honor of someone is a sincere way of acknowledging that individual while helping children in need.

# SUPERHERO LOST

The Children's Home Society lost a true superhero in 2023. Susan Mollohan, passed away on August 10, 2023. Susan was hired in 1977 as a public relations and fundraising director. In 1984, Susan was appointed interim CEO for a period of time in January 1985. She always did whatever was needed making sure the agency moved forward and in the right direction. She served as Director of Administrative Services until her retirement in 2010. After her retirement, Susan faithfully served as a Children's Home Society Director Emeritus, and on the Human Rights Committee and rarely missed a meeting.

## "SUPER" HOLIDAY SEASON

Christmas 2022 was just around the corner and like the previous 23 years, Teamsters Local 175 go above and beyond to ensure hundreds of West Virginia families are taken care of during the Holiday Season. These heroes provided \$48,000 worth of toys, food, and clothes to 1,044 community families and 1,292 grandfamilies for a total of 2,336 families this past Christmas.

Not only was Christmas grand in Kanawha and surrounding counties, but all CHSWV locations received help from businesses and individuals to make this season special. In total, holiday joy was brought to **5,358** children and families throughout West Virginia.

The spirit of caring, holiday giving, and those unforgettable smiles on the faces of children, makes every effort, the long hours, and the weekends of work, worth it. We would like to thank the Teamsters Local 175, all the small and large businesses and all the people who made Christmas 2022 a success.

Many years ago school age children would save their pennies all year long and put them in socks. Then just before Christmas they would take them to their local schools. Once the pennies were collected from the children the school principal would take the coin filled socks to the nearby orphanage in an effort to help children who were left without families. This heartfelt giving provided each child with a new coat, hat, gloves and one new toy. The children would wake up on Christmas morning to find that they had gifts under the Christmas tree and they had not been forgotten.

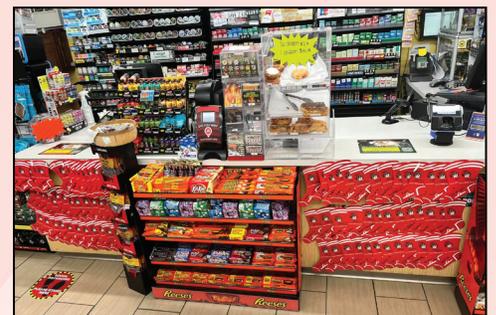

As we keep holiday traditions, family and gift giving in mind we shall not let the children in need be forgotten. Although we no longer collect pennies the Children's Home Society of West Virginia has bright red paper stockings that can be purchased at your local retailers and business throughout West Virginia.

The Little Red Stocking Campaign begins the day after Thanksgiving and ends on Christmas Eve. Each year, businesses throughout the state sell the brightly colored Little Red Stocking to help West Virginia's most vulnerable children. Each stocking costs only one dollar, and the money raised stays in that local community where the stocking is sold.

Last year, our largest supporters were Gomart, Par Mar, and ROCS convenience stores. The Society partnered with hundreds of small businesses throughout the state to make the Holiday Season a success for many West Virginia families.

If you would like to become a Little Red Stocking partner, please contact a locations nearest you.
